## **Enrollment Procedures**

### **January 2021**

Our annual OPEN HOUSE will be held virtually on Saturday January 30<sup>th</sup>. There will be a presentation of the school and the teachers will be present and available to talk with.

Registration begins that day. Due to current physical distancing regulations we will open each class with 12 spots, after which time we will begin a waitlist. We do not know what September will bring in terms of health and safety guidelines but there is a possibility that we are able to increase each class size to 16.

### **June 2021**

All enrolled students will be sent an enrollment packet to be completed and returned with their first tuition payment on or before August 1, 2021. Due to the current guidelines it is imperative that all paperwork and first month's tuition be received on or before August 1<sup>st</sup>. Payment and paperwork that is not received by August 1<sup>st</sup> will result in your child's spot being offered to the first on the waitlist and your child moving to the bottom of the waitlist.

### **August 2021**

All families will be sent a letter listing playground days to be held in August. Playground days are especially helpful for incoming students who will have a chance to meet some of their peers and interact with their teachers before the first day of school.

### **September 2021**

Orientation Day: Orientation day is a special day for us all! This is a time when children meet their teachers and classmates. This year, parents will be asked to participate in a ZOOM Parent Orientation Session with the Director to discuss important aspects of our community. The orientation is designed to help ease first day of school jitters for parents and children alike.

First Day of School: The children come to school prepared and ready to go!
